Diversity Career Days attracts corporations, non-profit organizations, and government agencies seeking candidates with diverse backgrounds. You don't want to miss this opportunity to meet employers in person, learn about different organizations and positions, and talk with them about your experiences. DCD is the perfect place to make a good first impression and start networking your way to a career!

Diversity Career Days is a **two-day fair**; the employers attending each day are not split up by industry, job type, or any other characteristic. If you are unable to attend both days of the fair, we recommend you review the list of participating employers to determine which day most suits your interests and attend that day. Check back often as the list of employers will be constantly updated.

Diversity Career Days is open to all students at colleges and universities throughout Virginia and Washington DC. This regional recruiting event typically attracts more than 1200 students from all majors looking for full-time and internship opportunities. **All students are welcome!**

Students are not required to pre-register and can simply check-in at the registration desk when they arrive.

Transportation to **Charlottesville** will be available for Day 1 (**Wed., Oct. 28**). Students desiring transportation may bring a **\$10 deposit** to the VWC Career Services Center to reserve your seat no later than **Friday, October 23**. Bus transportation will depart from **Norfolk State University**, behind Lyman B. Brooks Library parking lot at 6:45 a.m. and return to the NSU campus about 6:00 p.m. Your \$10 will be returned to you the next day.
